

Title:	Creativity Innovation&Teamwork APPROVED
Long Title:	Creativity Innovation&Teamwork
Module Code:	CMOD6001
Credits:	5
NFQ Level:	Fundamental
Field of Study:	Common Module
Valid From:	Semester 1 - 2016/17 (September 2016)
Module Delivered in	109 programme(s)
Module Coordinator:	MARESE BERMINGHAM
Module Author:	CATHERINE FREHILL
Module Description:	This module is designed to equip the learner with skills and knowledge for successful transition to and engagement in third-level education and subsequent life long learning opportunities.
Learning Outcomes	
<i>On successful completion of this module the learner will be able to:</i>	
LO1	Display independent learning, reasoning and problem solving skills by completing a project and written report on a specialisation of their choice.
LO2	Engage in a team project as an active team-member.
LO3	Write in formats appropriate to their chosen programme of study.
LO4	Use information, library resources and referencing conventions.
LO5	Develop research abilities and a knowledge of the best sources of information to include web based materials.
LO6	Exhibit oral and written presentation skills using technology as an aid.
Pre-requisite learning	
Module Recommendations	
<i>This is prior learning (or a practical skill) that is strongly recommended before enrolment in this module. You may enrol in this module if you have not acquired the recommended learning but you will have considerable difficulty in passing (i.e. achieving the learning outcomes of) the module. While the prior learning is expressed as named CIT module(s) it also allows for learning (in another module or modules) which is equivalent to the learning specified in the named module(s).</i>	
Not Applicable	
Incompatible Modules	
<i>These are modules which have learning outcomes that are too similar to the learning outcomes of this module. You may not earn additional credit for the same learning and therefore you may not enrol in this module if you have successfully completed any modules in the incompatible list.</i>	
Not Applicable	
Co-requisite Modules	
No Co-requisite modules listed	
Requirements	
<i>This is prior learning (or a practical skill) that is mandatory before enrolment in this module is allowed. You may not enrol on this module if you have not acquired the learning specified in this section.</i>	
Not Applicable	
Co-requisites	
No Co Requisites listed	

Module Content & Assessment

Indicative Content

Transition to Third Level

Making the transition to third level, the academic environment, the modular system, credit accumulation, mandatory and elective modules, note taking, understanding & utilising library resources, how to use the internet for academic purposes, research skills, referencing systems, ethical use of information, e-portfolio preparation, reflective journal practice. The student experience; how academic and social engagement can contribute to life and employability skills.

Team skills

Composition of successful teams. Individual personality types within teams. Stages in team building. Running effective teams. Consensus building and conflict resolution.
