Module Description:	This module is to be used to record credits and grades of CIT students who undertake approved external study in agreement with another Higher Education Institution. Examples would be Erasmus study taken abroad or approved study in another Irish Higher Education Institution. The detailed marks and records of such study must be retained in the CIT (home) Department.	
Learning Outcomes		
<i>On successful completion of this module the learner will be able to:</i>		
LO1	Present duly certified evidence from an external host institution of successful completion of learning. The learning outcomes must form part of an approved external study arrangement between CIT and the external institution.	
Pre-requisite learning		
Module Recommendations <i>This is prior learning (or a practical skill) that is strongly recommended before enrolment in this module. You may enrol in this module if you have not acquired the recommended learning but you will have considerable difficulty in passing (i.e. achieving the learning outcomes of) the module. While the prior learning is expressed as named CIT module(s) it also allows for learning (in another module or modules) which is equivalent to the learning specified in the named module(s).</i>		
Incompatible Modules <i>These are modules which have learning outcomes that are too similar to the learning outcomes of this module. You may not earn additional credit for the same learning and therefore you may not enrol in this module if you have successfully completed any modules in the incompatible list.</i>		
No incompatible modules listed
